Illinois High School Basketball Team Rating Report

- The Reports are to rank Illinois 4A & 3A Teams. 2A and 1A teams are included in the calculations only if they play in a conference with 3A teams or play a significant number of 3A or 4A teams that would impact the rankings of 3A or 4A Teams. Only games against Illinois teams are used in calculations. A team must play a minimum 3 games to be included in the calculation. Teams with less than 3 games played to date will not be ranked.
